

KeepAutomation

End User License Agreement

Date Revised: March 1th 2012

KeepAutomation Inc.
Concourse Parkway
Suite 800
Atlanta, GA 30328
United States

Email: support@keepautomation.com

Website: <http://www.keepautomation.com/>

IMPORTANT: READ CAREFULLY:

This KeepAutomation End User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and KeepAutomation for the materials accompanying this EULA, which may include computer software, associated media, printed materials, and "on line" or electronic documentation and source files, resource files, project and solution files for Software.

By installing, copying or otherwise using the Product, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, please do not install, download, copy or use the Product.

The Product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. KeepAutomation or its suppliers own the title, copyright and other intellectual property rights in the Product. The Product is licensed, not sold.

A. GRANT OF LICENSE

KeepAutomation grants you the rights described in this EULA provided that you comply with all the terms and conditions of this EULA.

a) Grant of Product License

KeepAutomation grants the use of the Product according to one of the following license types.

1) Developer License

A Developer License grants you (developer) to make use of the Product and install it on any number of your own computers to develop and test unlimited number of applications. Note that, the Product can be used only by you for development purposes and it can be distributed only for use with the applications developed by you. Additional number of Licenses must be purchased for each developer using the Product to develop applications.

2) Corporate Developer License

A Corporate Developer License grants unlimited developers to make use of the Product and install it on any number of your Company's computers to develop and test unlimited number of applications. Note that, the Product can be distributed only for use with the applications developed by your company.

3) User License

A User License grants you (user) to make use of the Product. Additional number of Licenses must be purchased for each user using the Product.

4) Site License

A Site License grants the use of the Product on unlimited computers for one site, no restrictions on the number of users. Note that, there is no permission of distributing the Product license key to third parties or other locations of the same company.

5) Enterprise License

An Enterprise License grants the use of the Product on several or all sites of the company. No restrictions on the number of installations and users.

6) Evaluation/Trial License

Evaluation/Trial License is non-exclusive evaluation license to use the Product for evaluation purposes only. And you are free to use the evaluation/trial version of the Product for such purposes for an unlimited period of time.

With an evaluation license the Product is fully functional except the results produced will include a "KeepAuto Trial" watermark or a feature limitation. KeepAutomation does NOT PERMIT the distribution of applications compiled with the evaluation/trial version of the Product (except for demo and testing purposes). If you use the Product in any application, you must purchase the applicable license, or you may be sued for collection and punitive damages.

b) Redistribution (FOR ALL LICENSES)

- 1) The Product may not be distributed in any form that allows it to be reused by any application other than your derived work. That's if you install the Product along with a packaged application on a customer's workstation or server, that customer is NOT PERMITTED to use the Product independent of your application, and must be informed as such.
- 2) The Product may not be used to develop derived works that offer similar or competing functionality as the Product, or expose features of the Product through an API for use by an unlicensed third party.
- 3) The Product may not be included as part of a SDK.
- 4) The name "KeepAutomation" must not be used to endorse or promote products derived from the Product.
- 5) The derived works may not be called "KeepAutomation", nor may "KeepAutomation" appear in their name.
- 6) KeepAutomation is not obligated to provide support for works derived from the Product.

c) Documentation

With respect to electronic and other documentation, you may make any number of copies (either in hard copy or electronic form) provided that such copies shall be used only for internal purposes and are not republished or distributed beyond your premises.

d) Disassembly

You may not reverse engineer, decompile, disassemble or in any other way try to gain access to information regarding the construction of the Product.

e) Reservation of Rights

KeepAutomation reserves all rights not expressly granted herein.

B. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS

a) Rental

You or your Company may not rent, lease, or lend the Product without express written permission from KeepAutomation.

b) Termination

Without prejudice to any other rights, KeepAutomation may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of the Product, including but not limited to the Source Code, backups and all of its component parts and derived works.

c) Consideration

For the rights and license granted in this EULA you will pay KeepAutomation the currently published price available at KeepAutomation.com or another mutually agreed upon amount to appear on a valid invoice.

d) Term

The term of this EULA shall continue perpetually from the date of purchase unless terminated according to the provisions in section b) Termination.

e) Consent to Use of Data

You agree that KeepAutomation and its affiliates may collect and use technical information, excluding any Confidential Information, gathered as part of the Product support services provided to you. KeepAutomation may use this information solely to improve our products or to provide customized services or technologies to you. KeepAutomation may disclose this information, excluding any Confidential Information, to others but not in a form that personally identifies you.

C. EULA UPGRADES

If this copy of the Product is an upgrade from an earlier version of the Product, it is provided to you on a license exchange basis. You agree by your installation and use of such copy of the Product to voluntarily terminate your earlier EULA and that you will not continue to use the earlier version of the Product or transfer it to another person or entity unless expressly permitted by KeepAutomation in writing.

D. INTELLECTUAL PROPERTY RIGHTS

All title and intellectual property rights in and to the Product (including but not limited to any images, photographs, animations, video, audio, music, text and "applets" incorporated into the Product and any copies of the Product that you are expressly permitted to make herein) are owned by KeepAutomation or its suppliers. All title and intellectual property rights in and to the content which may be accessed through use of the Product are the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This EULA grants you no rights to use such content. All title and intellectual property rights in and to your modifications to the Product are owned by you provided that such modifications are made available to KeepAutomation free of charge and royalty-free for inclusion in later releases of the Product. All rights not expressly granted are reserved by KeepAutomation.

E. LIMITED WARRANTY

No Warranties. KeepAutomation expressly disclaims any warranty for the Product. The Product and any related documentation are provided "as is" without warranty of any kind, either expressed or implied, including, without limitation, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising out of use or performance of the Product remains with you.

F. LIMITATION OF LIABILITY

No Liability for Consequential Damages. In no event shall KeepAutomation or its distributors be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this KeepAutomation Product and related materials, even if KeepAutomation has been advised of the possibility of such damages.

G. GOVERNING LAW

This EULA will be governed and construed in accordance with the Argentinean Laws and the parties submit to the non-exclusive jurisdiction of the Argentinean Courts.

H. FURTHER INSTRUMENTS

Except as otherwise expressly provided in this Agreement, each party shall furnish to the other (and shall deliver and cause to be executed, acknowledged and delivered to the other) any further instruments, which such other party may reasonably require or deem necessary from time to time to evidence, establish, protect, enforce, defend or secure to such other party any or all of its rights hereunder or to more effectuate or carry out the purposes, provisions or intent of this Agreement.

I. UPDATES

KeepAutomation may make updates and changes to this license agreement from time to time. Such changes will be posted on our website at <http://www.keepautomation.com> as well as distributed with the Product. You are bound by the terms of the EULA as it is posted or distributed at the most recent time you install the Software or Updates. If you do not wish to be bound by the terms of this license agreement, you should not install any Updates or additional Software.

J. ENTIRE AGREEMENT

This EULA is the entire agreement between you and KeepAutomation relating to the Product and the support services (if any) and it supersedes all prior or contemporaneous oral or written communications, proposals and representations with respect to the Product or any other subject matter covered by this EULA. To the extent the terms of any KeepAutomation policies or programs for support services conflict with the terms of this EULA, the terms of this EULA shall control.
