

Creative Commons License Deed

Attribution-NonCommercial-ShareAlike 3.0 Unported

Disclaimer

The Commons Deed is not a license. It is simply a handy reference for understanding the Legal Code (the full license) — it is a human-readable expression of some of its key terms. Think of it as the user-friendly interface to the Legal Code beneath. This Deed itself has no legal value, and its contents do not appear in the actual license. Creative Commons is not a law firm and does not provide legal services. Distributing of, displaying of, or linking to this Commons Deed does not create an attorney-client relationship.

This is a human-readable summary of the [Legal Code \(the full license\)](#).

You are free:

- **to Share** — to copy, distribute and transmit the work
- **to Remix** — to adapt the work

Under the following conditions:

- **Attribution** —
 - **Include any copyright notices.** You must make sure the recipient has the same freedoms that you received; to do this please ensure that you include file or link explaining license terms so they know their rights.
 - **Cite website**, etc. If the work is being published on the Internet, you must include hyperlink to our site or to the original work into your attribution.
 - **Cite the work's title.** If the work is being published on the Internet, you could include the name of the the original work but this is optional.
 - **Cite the specific CC license the work is under.** If the work is being published on the Internet, you must mention the license it is under.
 - **Mention if the work is a derivative work or adaptation**, in addition to the above, one needs to identify that their work is a derivative work.

- Example of proper attribution for our free templates:
 - "This is a [Name of your work] which is based on the [Title of the original work] by [hyperlink to our site]".
 - "This [Name of your work] features the [Title of the original work] by [hyperlink to our site], available under a [license name]. ©2011, [original copyright notice].
 - [Title of the original work] by [hyperlink to our site], available under [license name].
 - This is a [Name of your work] adaptation of the [Title of the original work] by [hyperlink to our site], available under [license name]. Copyright ©2012 [original copyright notice].

- **Noncommercial** — You may not use this work for commercial purposes.
- **Share Alike** — If you alter, transform, or build upon this work, you may distribute the resulting work only under the same or similar license to this one.

With the understanding that:

- **Waiver** — Any of the above conditions can be waived if you get permission from the copyright holder.
- **Public Domain** — Where the work or any of its elements is in the public domain under applicable law, that status is in no way affected by the license.
- **Other Rights** — In no way are any of the following rights affected by the license: Your fair dealing or [fair use](#) rights, or other applicable copyright exceptions and limitations; The author's [moral](#) rights; Rights other persons may have either in the work itself or in how the work is used, such as [publicity](#) or privacy rights.
- **Notice** — For any reuse or distribution, you must make clear to others the license terms of this work. The best way to do this is with a link to this web page.

Additional information

What does “conditions can be waived” mean?

CC licenses anticipate that a licensor may want to waive compliance with a specific condition, such as attribution. [Learn more.](#)

What does “Public Domain” mean?

A work is in the public domain when it is free for use by anyone for any purpose without restriction under copyright. [Learn more.](#)

What does “Fair use” mean?

All jurisdictions allow some limited uses of copyrighted material without permission. CC licenses do not affect the rights of users under those copyright limitations and exceptions, such as fair use and fair dealing where applicable. [Learn more.](#)

What are “Moral Rights”?

In addition to the right of licensors to request removal of their name from the work when used in a derivative or collective they don't like, copyright laws in most jurisdictions around the world (with the notable exception of the US except in very limited circumstances) grant creators “moral rights” which may provide some redress if a derivative work represents a “derogatory treatment” of the licensor's work. [Learn more.](#)

What are “Publicity Rights”?

Publicity rights allow individuals to control how their voice, image or likeness is used for commercial purposes in public. If a CC-licensed work includes the voice or image of anyone other than the licensor, a user of the work may need to get permission from those individuals before using the work for commercial purposes.
